Dear Families and Staff,

Thank you for your continued support during our adaptive pause. As we indicated yesterday, we are following up with you about our decisions following the pause.

As we discussed with our Leadership Council, after reviewing our considerations and safety protocols, we feel we are able to return to Phase 2, Blended Remote Learning, beginning Wednesday, January 20, for families who have selected the Phased-In Learning model. Following this communication, you will be contacted by your program administrator to discuss the Blended Remote Learning schedule for your child(ren).

To prepare for Phase 2, staff at NSSSED sites will utilize an approved ISBE planning day on Tuesday, January 19 to plan and review safety protocols. This will be a non-student attendance (and instruction) day for these locations.

We look forward to seeing your children again soon!
