

October 22, 2020

Dear NSSED Families and Staff,

### **Phase Change Announcement**

Yesterday we communicated our most recent announcement regarding our continuation of our blended/remote phase and existing schedules at this time. Here is the [email](#) again for your review.

### **Self-Certification Required**

We have revised and added new guidance into the Reopening Plan regarding self-certification. To help us remain in our blended remote phase, and continue with our ability to provide in-person learning, we all must remain vigilant with health and safety measures and *complete this district requirement daily*. If you have questions, or need assistance, please see your administrator.

### **Acceptable Test Results**

If you have had a negative rapid (antigen) COVID test, the local health officials require confirmation with a PCR test. Please email your test results to your program or department nurse. If you have any questions, please ask Ingrid Thompson, Health Services Coordinator, at [ithompson@nssed.org](mailto:ithompson@nssed.org).

Have a great weekend!

Kurt A. Schneider, Ph.D.  
Superintendent  
Northern Suburban Special Education District
