

WHO WE ARE

TrueNorth Educational Cooperative 804 provides high-quality, inclusive educational experiences for diverse learners.

WHAT we do

TrueNorth supports students in cooperative, district, and community environments by providing resources, programs, and services.

HOW we do it

TrueNorth serves diverse learners by providing support focused on learning, resource allocation, relationships, and unity across our member districts.

WHY we do it

TrueNorth believes in the possibilities of Every Learner, Every Day. That's why we work to build equity for the students we serve by going beyond programs and services to delivering professional learning and coaching – so that our students benefit from inclusive communities no matter where they are.
